

COVID-19

IMPORTANT INFORMATION

Dear patients, **please protect YOURSELF and OTHERS!**

Do **NOT** enter the practice with the following symptoms:

cough

fever

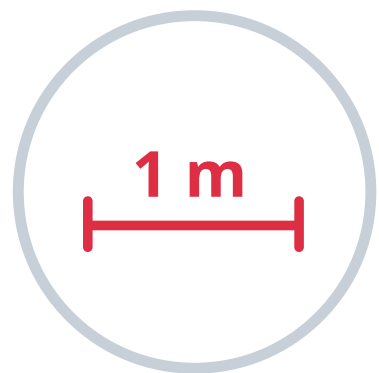

respiratory distress

ATTENTION! Please adhere to the following safety measures:

A face mask has to be worn throughout the entire medical visit

Keep at least 1m distance from others

Disinfect your hands and do not touch your face or the mask (if you do, please disinfect your hands immediately)

Accompanying persons cannot enter the practice (except children below the age of 10)

No strollers or scooters are allowed inside the premises of the practice

Thank you for your cooperation,
Your practice team Dr. Ch. Dolezal
